

Short Circuit

European Network of Short Film and Video Art Distributors

presents **The
Short
Film
Pool**

A selection
of mostly European shorts
available
for theatres, festivals
and other screens
in France, Germany,
the Netherlands,
Portugal
and Switzerland.

Short Circuit federates European organizations whose activities are the distribution and promotion of European short films whatever their genre: fiction, animation, experimental, documentary or video art. There are currently 17 members, representing 14 European countries.

The Short Film Pool

is a catalogue of mostly European short films, which have the artistic and commercial potential to be distributed theatrically all over Europe. Today, several structures from France, Germany, Portugal, The Netherlands and Switzerland have joined the project and offer theatres, festivals and other venues the possibility to rent short films out of this collection.
